Turley Dental Corporation

*Orthodontist*

Welcome to our practice and thank you for selecting us as your Orthodontic team. Rest assured that every effort will be made to provide you with the highest quality treatment.

It is our desire to provide for your Orthodontic needs both thoroughly and efficiently. The initial appointment is spent conducting an examination, reviewing a clinical diagnosis, discussing a treatment plan along with the procedures involved, and, when indicated, we will go ahead and get started with some impressions and pictures. We will also discuss treatment time, costs, and a variety of types of braces.

I have enclosed a packet of information about our office including a brochure listing Dr. Patrick Turley's education and technical training, an appointment card for your calendar, and a map to facilitate locating our office. In order to provide a more detailed and informative exam, we ask that you complete the enclosed Health questionnaire and Patient history form. Please complete it and bring it with you for your first visit to our office.

If you have dental insurance, it will be very helpful for you to bring along a signed dental insurance form. We are looking forward to meeting you at our office located at 14650 Aviation Blvd. Manhattan Beach, CA 90250. We would consider it a privilege to be your family's Orthodontist.

Again, we welcome you to our practice and look forward to seeing you for your Orthodontic exam with Dr. Patrick Turley.

Sincerely,

Andrea Laraneta  
Treatment Coordinator
